## SUMMER CAMP CHILD LEADERSHIP INITIATIVE

At TOPP KIDS Summer Camp, we have a consistently prominent group of Division 2 children (grades 4-6), and our staff is dedicated to fostering leadership skills within our older children by providing them opportunities that will focus on strengthening skills such as problem solving and mediating, taking accountability by aiding with specific tasks in the room, and providing the younger children at camp with positive role models. By granting our older children with responsibilities during summer camp, we are ensuring the development of these skills and establishing connections between older and younger children on a level that benefits everyone involved.

**INSPIRE,  
DEVELOP,  
LEAD.**

Every summer, our Division 2 children are offered a chance to take on the role of “Junior Leader.” Children interested who are the appropriate age are given a contract to review with staff, and with their parents, that outlines the rules and responsibilities of being a Junior Leader. Children are expected to maintain the conduct outlined in the contract, and this is reinforced at weekly lunchtime meetings that all Junior Leaders are expected to attend. We truly believe that this sense of responsibility aids in the building of self esteem of older children, and the experience creates lasting bonds between all children and staff involved. Junior Leaders work hard all summer, and for that reason, we ensure that they have a variety of privileges that are earned via adhering to the Junior Leader’s Contract. Privileges include distal supervision time, a lunch table dedicated to Junior Leaders, weekly groups occasionally dedicated to Junior Leader’s, and a special event to celebrate a successful summer! This summer, Junior Leaders are invited to attend a THREE NIGHT CAMPING TRIP!!!! More information available on our website after April 15<sup>th</sup>, 2018.

Similarly, we have a program dedicated to children in Grade 3 who are to be entering Grade 4 in the new school year. This program is called our “Mentors” program, and focuses solely on providing children with the skills and experience necessary to become a Junior Leader the following summer. Mentors assist staff and Junior Leaders with tasks and responsibilities such as clean up supervision, and are expected to be positive role models for the younger children. Mentors are also expected to sign a contract outlining the rules and responsibilities of their position, and are required to attend lunch time meetings. Mentors are essentially Junior Leaders in training, and are rewarded with many of the same privileges, including the chance to attend the camping trip.

INCLUSION IN THE JUNIOR LEADER OR MENTOR PROGRAMS CAN BE TERMINATED AT ANY POINT AT THE DISCRETION OF STAFF.

We are very excited to expand our leadership initiative this summer!
