Summer Camp Child Leadership Initiative

**INSPIRE,
DEVELOP,
LEAD.**

At TOPP KIDS Summer Camp, we have a consistently prominent group of Division 2 children (grades 4-6), and our staff is dedicated to fostering leadership skills within our older children by providing them opportunities that will focus on strengthening skills such as problem solving and mediating, taking accountability by aiding with specific tasks in the room, and providing the younger children at camp with positive role models. By granting our older children with responsibilities during summer camp, we are ensuring the development of these skills and establishing connections between older and younger children on a level that benefits everyone involved.

Every summer, our Division 2 children are offered a chance to take on the role of "Junior Leader." Children interested who are the appropriate age are given a contract to review with staff, and with their parents, that outlines the rules and responsibilities of being a Junior Leader. Children are expected to maintain the conduct outlined in the contract, and this is reinforced at weekly lunchtime meetings that all Junior Leaders are expected to attend. We truly believe that this sense of responsibility aids in the building of self esteem of older children, and the experience creates lasting bonds between all children and staff involved. Junior Leaders work hard all summer, and for that reason, we ensure that they have a variety of privileges that are earned via adhering to the Junior Leader's Contract. Privileges include distal supervision time, a lunch table dedicated to Junior Leaders, weekly groups occasionally dedicated to Junior Leader's, and a special event to celebrate a successful summer! This summer, Junior Leaders are invited to attend a **THREE NIGHT CAMPING TRIP!!!!**

Similarly, we have a program dedicated to children in Grade 3 who are to be entering Grade 4 in the new school year. This program is called our "Mentors" program, and focuses solely on providing children with the skills and experience necessary to become a Junior Leader the following summer. Mentors assist staff and Junior Leaders with tasks and responsibilities such as clean up supervision, and are expected to be positive role models for the younger children. Mentors are also expected to sign a contract outlining the rules and responsibilities of their position, and are required to attend lunch time meetings. Mentors are essentially Junior Leaders in training, and are rewarded with many of the same privileges, including the chance to attend the camping trip.

INCLUSION IN THE JUNIOR LEADER OR MENTOR PROGRAMS CAN BE TERMINATED AT ANY POINT AT THE DISCRETION OF STAFF.

We are very excited to expand our leadership initiative this summer!

Activities at Camp

With camp Impeesa being sold to a private group LAST year, we focused on finding another hidden gem for our leadership groups and definitely lucked out when we found the Island Lake Retreat Center!

It's location in the foothills of Alberta's Rocky mountains, 10 minutes from Colman AB, nestled in the Crowsnest Pass Special Wilderness Area giving us access to countless kilometers of trails for hiking and extremely beautiful scenery with the surrounding mountain sand lake.

The Island Lake Retreat Center is just over 250 acres of wilderness space with a large main building complete with separate wings for each group, dining hall, games room (with foosball and Ping-Pong tables), amazing commercial kitchen, beautiful stonework fireplaces, projector for indoor/outdoor movies and even indoor bathrooms! Whooh! That's just inside the lodge!

The camp also has a number of backcountry hiking trails, fire pit, a lake to canoe or swim in and many open spaces for group leadership activities or even stargazing.... This year is going to be a blast!

Island Lake Retreat Centers' office and EMERGENCY contact number is (403) 564-4123.

Leadership Camp

Introduction

One of our priorities at summer camp has always been promoting and fostering the growth and development of leadership skills within our older children specifically. By finding cohesion and teamwork between staff members passionate about the above, and children who are eager to learn, we have been able to create and grow our Summer Camp Leadership Initiative. We invite Grade 3 children entering Grade 4 to participate as Camp Mentors, children in Grades 4-6 to participate as Camp Junior Leaders, and children 13 years old or higher who are not members of the program to step in as Camp Volunteers. Each group will have a set of responsibilities that they adhere to during summer camp, but all that hard work will be rewarded with privileges throughout the summer. By embracing the natural leadership instincts in our older children and fostering these instincts to become skills, we believe that our efforts in our Leadership Initiative will benefit kids throughout the summer and carry into their school year and beyond.

Who Leadership Camp is For

TOPP KIDS Leadership Camp is open to children who have completed grade's 3-6, as well as youth volunteers (13yrs -16yrs old) from outside of the program. Each age group has a specific set of responsibilities and expectations, but the intention is to find cohesion between everyone in a way that best supports children of all ages. Inclusion in all privileges of the Leadership Initiative are not guaranteed and depend upon participants abiding by the core values of **INSPIRE, DEVELOP** and **LEAD**. Participation in our Leadership program can be terminated at any point if children are not adhering to the responsibilities and expectations outlined in their contracts. (Please see the attached Mentor and Junior Leader Contract).

Our Foundational Values

It is our priority to provide children and families with a safe and reliable program that embodies exactly what summer is all about: FUN! We are a fully accredited summer camp with excellent and highly qualified staff who are committed to the safety and wellbeing of your children, while also focusing on making each and every day one that your kids will be talking about even when the next summer rolls around! Our team of junior leaders commits themselves to being positive role models and mentors for children of all ages. Our daily camp schedule offers endless activities, both planned and spontaneous, that are sure to keep Junior Leader and Mentors engaged in supporting positive play experiences for their younger peer. We believe strongly in fostering creativity and imagination and focus on creating a balance in each day between structured play and spontaneous play. Our diverse and dynamic range of activities is catered to the needs, interests and qualities that are unique to every child in our care. From cooking to outdoor games, and from robotics to sports tournaments, junior leaders and mentors will assist in creating a full range of opportunities for children to **PLAY, GROW, LAUGH AND LEARN**.

INSPIRE,
DEVELOP,
LEAD.

Leadership Camp Policies & Procedures

Expectations and Activities A week at summer camp is an experience of a lifetime and with that come expectations from the camper, their parents, and the camp. We strive to provide a wide variety of program opportunities for our campers so it is important to discuss, as camper and parent, the key goals you want to achieve at summer camp and what you expect your session to be like. Each camper will have a different and individual experience from another and we recommend having an open mind and being flexible. With a wide number of activities available campers can expect to participate in a selected number of activities and will not be able to try all during their 4 day session. Certain activities have participant restrictions based on a number of factors which could include age, weight, equipment availability, time, and adverse weather conditions. For a number our programs Campers will decide as a cabin group which activities they will participate together. We know that campers of all levels want to experience all that camp has to offer and we want campers to return excited to try new things each summer. For our Leadership Camp program we hope to see our camper's progress and build on their experiences as they continue to grow in the Leadership program.

Transportation All Campers will travel to/from Camp on a charter bus departing from the Lake Bonavista Community Association (LBCA). Attached is a map showing how to get to Camp. From Calgary it takes about 2 ½ hours to reach camp. (Children may bring a backpack with activities to bring with them on the bus)

A camp staff member must talk to the parent dropping off the youth. They will confirm if the youth has any medications or other special instructions. Please be on time to allow for check in and loading of the bus to go smoothly. Parents are welcome to stay and help with loading of baggage however it is not required.

Bus Delays – It is important to note that delays do happen sometimes due to a number of factors. Weather and bus drivers are common notable causes of delays in bus times. Please be flexible and patient as we will update parents related to transportation delays via the TOPP KIDS Staff at the LBCA and on our TOPP KIDS Facebook Page.

Camper Emotional Well Being At summer camp it is normal for your camper to experience times of homesickness and other emotional stresses. We know that having feelings of sadness from being away from home is a common and recognized emotion at camp. Our staff will work with campers through those times to encourage them to continue to enjoy the summer camp experience. If a camper is experiencing an ongoing stress we are happy to contact the parent to discuss the situation so they are aware. We encourage campers to stay at camp for the duration of the week and only have them leave camp early as a last result. Our camp staff would speak with parents to make that final decision.

Camper Behavior All of the rules, regulations and procedures of camp will be discussed with all campers on the Monday before we leave for overnight camp. Expectations for the week will be set out for campers to understand how we can make their stay at camp an enjoyable and safe one. Appropriate behaviors are always encouraged at all times and reminders of our Leadership mottos will be emphasized. Bullying and any other ongoing inappropriate or unsafe behavior will not be tolerated at camp. These types of actions do not encourage a safe and positive environment for Leadership Camp. If this were to occur parents would be called and made aware of the behavior and we would work together to resolve the issue. The Leadership Camp Staff reserves the right to dismiss any camper who continually displays disruptive, unsafe or harmful behavior. It is the parent's full responsibility to arrange transportation and pick up from camp for a camper who has been dismissed. We encourage parents to complete our 'Camper Personal Needs Form' if you feel you can provide any detailed information regarding your camper daily routines and behaviors. You can find this form in your registration package.

Camper Dietary Requirements Meal time at camp is one of our favorite parts of the day. We serve home cooked, buffet style meals throughout the summer from a commercial kitchen and cook house. Campers can expect a variety of meal options especially available (see attached Camp Meal Plan). If your camper requires any specific dietary needs we are happy to try to accommodate as long as we have prior notice. If you have not submitted your 'Camper Dietary Needs Form' at the time of registration please do so as soon as possible so we are able to relay that information. You can find this form in your registration package.

Camper Photographs During the week of summer camp we will capture memories of your camper through photographs. If you do not wish for your child's photograph to be taken please indicate this in your registration package. This is also indicated on your child's registration forms, please take the time to read this. We will try our very best to post photos of the summer camp experience daily on our Facebook account. If you do not see your child in a photo do not panic, it may be that we just did not get the best opportunity to capture them in action. Internet at camp can be slow at times so it may take us a day or so to upload, please be patient. You can find TOPP KIDS photos by going to the following address: <https://www.facebook.com/profile.php?id=100011048557800>

Lost & Found Items Any camper items left at camp will be collected and sorted. If items are labelled with camper full names we will call parents to let them know about the lost item. Any unclaimed items remaining at camp will be donated or kept for camp supply. We will not keep lost socks or under garments.

Personal Snacks Please DO NOT send any personal snacks in your child's pack. Camp is in bear country and these only invite forest critters to visit the campsites. Nutritious snacks are provided at appropriate times during the day.
